Mgma : Body of Knowledge Review Series 2nd Edition Financial Management before purchasing it in order to gage whether or not it would be worth my time, and all praised Body of Knowledge Review Series 2nd Edition Financial Management:

1 of 1 people found the following review helpful. The price was just right, and the delivery was in time!By CustomerI needed the book to write a paper. The paper is done and I am going to keep the book as a reference.Thanks so much.

This book is dedicated to reviewing each task associated within the Body of Knowledge for Medical Practice Management Second Edition's Financial Management domain, which like the other seven BOK domains, demands an orientation toward and the mastery of leadership skills, professionalism, communication, and critical thinking skills. The medical practice executive's role requires proficiency and aptitude, which is critical for the success of both the practice executive and the medical practice.
