Boy Scouts of America : Boy Scouts Handbook, 1st Edition, 1911 before purchasing it in order to gage whether or not it would be worth my time, and all praised Boy Scouts Handbook, 1st Edition, 1911:

0 of 0 people found the following review helpful. great legacy bookBy rmwasn't aware that there is an original scouting manual. will have to look for it as well but this book is fabulous shows the great years of scouting and how things used to operate in the world. great times in the usa all the way to the trail to eagle scouting book. Miss those days on to Trail Life will use the lessons learned from this book and trail to eagle in future endeavors on the Trail Life0 of 0 people found the following review helpful. Its amazing how different the handbook is today compared to

the ...By Robert RyanIts amazing how different the handbook is today compared to the older ones. This one is loaded with great, useful information. The newest one is essentially useless.1 of 1 people found the following review helpful. Four StarsBy Meema PopoUnique gift for a boy scout. As expected ... Thank You

The first Handbook of the Boy Scouts of America provides an entertaining read and a fascinating insight into the world of a century ago, when a boy could obtain badges in subjects such as Inventing (Invent and Patent some useful article) and Taxidermy (Preserve and mount the skin of a game bird, or animal). This is a newly re-edited version (not a scan), complete with black and white pictures and many of the original advertisements.

About the AuthorFrom the preface: The Boy Scouts of America is a corporation formed by a group of men who are anxious that the boys of America should come under the influence of this movement and be built up in all that goes to make character and good citizenship. In order that the work of the boy scouts throughout America may be uniform and intelligent, the National Council has prepared its "Official Handbook," the purpose of which is to furnish to the patrols of the boy scouts advice in practical methods, as well as inspiring information."
