Dan Limmer, Michael F. O'Keefe, J. David Bergeron, Harvey Grant, Bob Murray, Ed Dickinson : Brady Emergency Care AHA, 10th Updated Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Brady Emergency Care AHA, 10th Updated Edition:

0 of 0 people found the following review helpful. Got to recommend thisBy Annabelle LineberryThis is a good one so nice I need to recommend this0 of 2 people found the following review helpful. A+ Tops In ClassBy W/P MEDThe book I ordered is in better shape then described. It came right when i needed it. thanks so much.2 of 3 people found the following review helpful. Emergency Care AHABy Jackie D. Reagan Jr.This is an excellent book and some of the questions actually appeared on the national registry exam. Great investment.

Emergency Care, 10/E has prepared more students to pass state and/or the National Registry Exam than any other text on the market with well-organized, clearly presented content, thorough coverage of patient assessment, an accessible

reading level, high quality artwork, and outstanding skill scans of equipment and procedures. Case studies and practical tips from the field tie chapter concepts to real world applications. Each chapter sends students to the Companion Website where there are links to EMS-related sites. A new in-text CD provides extra information to help students master concepts. Emergency Care AHA Update reflects the American Heart Association's 2005 CPR and ECC guidelines.
