From Brand: Logos Press : Building the Case for Biotechnology: Management Case Studies in Science, Laws, Regulations, Politics, and Business before purchasing it in order to gage whether or not it would be worth my time, and all praised Building the Case for Biotechnology: Management Case Studies in Science, Laws, Regulations, Politics, and Business:

This volume helps to fill the void in life science entrepreneurship and management case books and provides faculty and students with not only the charts, but the simulated experience of sailing the turbulent and exciting oceans of the

biomedical industry toward creating significant value for patients and society.
