**Phillip S. Atkinson, Diane R. Timme : Bundle: Medical Office Practice, 8th + iLabs Printed Access Card for Medical Office Simulation Software 2.0** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bundle: Medical Office Practice, 8th + iLabs Printed Access Card for Medical Office Simulation Software 2.0:

Prepare for a career or hone your skills as a Medical Assistant with MEDICAL OFFICE PRACTICE, 8th Edition. This simulation includes 35 realistic jobs which highlight the latest information on HIPAA, confidentiality, and ethics to

help you prepare to work in a medical office. The user-friendly practice management software included with **MEDICAL OFFICE PRACTICE**, 8th Edition eases the transition to a professional setting by providing training on computerized scheduling, procedure and payment posting, and insurance and patient billing. All the materials needed to complete the simulation are included.

**About the Author** Phillip S. Atkinson, PhD, is Professor Emeritus, Bernard M. Baruch College of the City University of New York. He received the 1986 Clinton A. Reed Award and he is a member of the Computer Literacy Task Force, and National Business Education Association. Diane R. Timme, RN, BS, has 20 years' combined experience working in health care in the areas of medical assisting, medical transcription and nursing. She has been a medical assisting educator for 12 years, and is currently working as a school nurse. Diane is a member of the National Association of School Nurses.
