**Nizar Hirji PhD MBA Bsc FCOptom FAAO FIMgt : Business Awareness for Optometrist: A Primer, 1e** before purchasing it in order to gage whether or not it would be worth my time, and all praised Business Awareness for Optometrist: A Primer, 1e:

This book will equip the student and all those starting out in the optometric field with the basic business insight necessary for setting up in practice and to begin understanding the commercial aspects of the optical industry. Covering issues from employing staff to marketing; practice layout and design to aspects of the law, this text is an indispensable practical handbook for student and practitioner optometrists and dispensing opticians. PracticalIntroductory levelEasily accessible text with bullet points and a wealth of sample forms and case examples

"Congratulations to Butterworth Heinemann for a great production job. The size, design, typeface etc are such that the book has the right feel for what it is a light and easy introductory primer. The cover is great certain to catch attention. I am sure it will do very well for you ." Professor Nathan Efron, UMIST, UK.
