**Joan Slager : Business Concepts for Healthcare Providers: A Quick Reference for Midwives, NPS, CNSS, and Other Disruptive Innovators** before purchasing it in order to gage whether or not it would be worth my time, and all praised Business Concepts for Healthcare Providers: A Quick Reference for Midwives, NPS, CNSS, and Other Disruptive Innovators:

0 of 0 people found the following review helpful. Five StarsBy YUNQI ZHANG and Qian FengFast shipping and good quality.

This book is intended as a pocket guide for the non-physician provider who wishes to gain a basic understanding of some of the most common concepts of the business of being a healthcare provider. Topics include billing and coding, benchmarking practice, contract negotiation, and more. Whatever the background or motivator, this book is an excellent primer in business for the non-physician health care provider.
