William A. Syvertsen, Terrance M. Krider : Cancer Chemotherapy and Biological Response Modifiers before purchasing it in order to gage whether or not it would be worth my time, and all praised Cancer Chemotherapy and Biological Response Modifiers:

Cancer Chemotherapy and Biological Response Modifiers provides its readers with a comprehensive, definitive annual review of the literature in the fields of cancer biology, pharmacology, treatment and management. Its contributors are internationally renowned figures in the field of oncology. The contents of this new volume, Annual 18, will again review recent developments within these subject areas, ensuring that its readers are kept up-to-date with the latest

information.
