Terry R. Des Jardins : Cardiopulmonary Anatomy Physiology Workbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cardiopulmonary Anatomy Physiology Workbook:

2 of 2 people found the following review helpful. Great Book for students By Lisa Nowaczyk This book really helped me in my second semester of the respiratory Program, I wish I'd had it in my first semester of the program! I would recommend it to any respiratory Therapy Student.
