Institute of Medicine, Board on the Health of Select Populations, Committee on Social Security Cardiovascular Disability Criteria : Cardiovascular Disability: Updating the Social Security Listings before purchasing it in order to gage whether or not it would be worth my time, and all praised Cardiovascular Disability: Updating the Social Security Listings:

The Social Security Administration (SSA) uses a screening tool called the Listing of Impairments to identify claimants who are so severely impaired that they cannot work at all and thus immediately qualify for benefits. In this report, the IOM makes several recommendations for improving SSA's capacity to determine disability benefits more quickly and efficiently using the Listings.
