Eugene C. Toy Dr., Barry Simon, Kay Takenaka, Terrence H. Liu, Adam J. Rosh : Case Files Emergency Medicine, Fourth Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Case Files Emergency Medicine, Fourth Edition:

0 of 0 people found the following review helpful. Love the set up of the cases and the explanationsBy PriscillaDidn't use the Case Files series before, but wish I did. Love the set up of the cases and the explanations. Easy read and would definitely recommend for medical students studying for an EM shelf

SHARPEN YOUR CRITICAL THINKING SKILLS AND IMPROVE PATIENT CARE Experience with clinical cases is key to mastering the art and science of medicine and ultimately to providing patients with competent medical care. *Case Files: Emergency Medicine, Fourth Edition* delivers 59 true-to-life cases that illustrate essential concepts in Emergency Medicine. Each case includes an easy-to-understand discussion correlated to key concepts, definitions of key terms, clinical pearls, and USMLE-style review questions to reinforce your learning. With *Case Files*, you'll learn instead of memorize. Learn from 59 high-yield cases, each with board-style questions Master key concepts with clinical pearls Solidify your knowledge with 14 new integrated challenge questions Polish your approach to clinical problem solving and patient care Maximize your shelf exam score with this proven learning system
