Cengage Learning Delmar : Case Studies for Respiratory Care DVD Series (Student) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Case Studies for Respiratory Care DVD Series (Student):

The success of a respiratory therapist often relies on execution of hands-on skills. Case Studies in Respiratory Care DVD Series provides skills-based demonstration within the context of real-world scenarios. Additional animation enhances the video and facilitates comprehension of these procedures and therapies. The case based approach presents common scenarios the respiratory therapist encounters in actual practice. This allows for observation of patient

assessment, interaction, and communication.
