Dorine L., Ed. Bennet : Certified Coding Associate (CCA) Exam Preparation before purchasing it in order to gage whether or not it would be worth my time, and all praised Certified Coding Associate (CCA) Exam Preparation:

0 of 1 people found the following review helpful. Revised version availableBy JulianneThis book would probably work just fine, but there is a revised reprint of this out. It is what AHIMA is recommending to study for the CCA exam currently. I returned this right after I received it and got that one instead. I passed my test after using it.
