5 of 5 people found the following review helpful. Good exam review, but will be useless in a few months.By FrankieQuestions are good, but this format is old. AHIMA doesn't do it this way anymore. This was done before the change, and AHIMA is transitioning to ICD-10 in October. So, it's better to get your CCS with ICD-10.21 of 22 people found the following review helpful. Certified Coding Specialist CD and BookBy tadesegetahunThis product is very astounding and great and has helped me with learning many new things and has prepared me wonderfully. I would reccomend this to anyone because it is wonderful.2 of 2 people found the following review helpful. Five StarsBy disappointedHelped me pass my exam with only 2 weeks of study
