I wasn't a huge fan of the format of it but I got past that and ended up passing my test. 1 of 1 people found the following review helpful. Good study guide By M. Massey Good study book, one of many I purchased to help me study. Although they don't indicate it, I think that this company also produces the CMA Exam Preparation 2015-2016: Study Guide Review Book for the Certified Medical Assistant Exam study guide, so the questions in the

back are exactly the same. I didn't like that you need to submit a review to them in order to get bonus material, but the bonus material wasn't what I had hoped for. They also have a second book that includes additional study material, but I didn't purchase it. 2 of 2 people found the following review helpful. but I needed a Kindle study guide and it got good reviews. The content format was disjointed. By Desi T. Lowder I was not impressed, but I needed a Kindle study guide and it got good reviews. The content format was disjointed, there were spelling errors, and the type was way too small, even for a Kindle book. There was far too much space in the book dedicated to study habits and a practice test, and not nearly enough actual useful information.
