Daphna R. Moore : Certified Nurse Assistant's Exam, Questions and Answers for Long Term Care Certification: Questions and Answers Given on All State Board Cna Exams before purchasing it in order to gage whether or not it would be worth my time, and all praised Certified Nurse Assistant's Exam, Questions and Answers for Long Term Care Certification: Questions and Answers Given on All State Board Cna Exams:

0 of 0 people found the following review helpful. Easy to use.By Mama Kiwi WalkingWill help me with tutoring my students.0 of 0 people found the following review helpful. very poor qualityBy Susan AndersonI was very

disappointed with this resource. First of all, very poor editing, very poor representation of the questions anticipated on the CNA Exam. Grammar was atrocious. Some questions were even answered incorrectly. Not anywhere near worth the price I paid for it. There are other resources available which are written by more capable, more knowledgeable, and more professional people. I WOULD NOT RECOMMEND purchasing this book! Advice for the author ... go back to school to develop the necessary qualifications to publish a resource book. The information you included was not professional, not helpful, and not presented professionally, as I would expect from how it is advertised. 1 of 1 people found the following review helpful. Very good. All the state board exams were in it. By MARIE ANNE DAVID BEAUBRUN This book really helped me pass the test. Very good. All the state board exams were in it. I would recommend it to every student.

This book provides the student with the tools they need in order to become a long-term care-giver/nurse assistant, whether they are working in a long-term care facility or in a private residence. You will gain a thorough understanding of all equipment and supplies used in facilities and how to make a bed with the resident in the bed. This book covers every aspect of providing long-term care.

This is an excellent study guide for anyone who wishes to become a nursing assistant. --Sally Richards, RN, Los Angeles
About the Author Daphna R. Moore is a retired American Massage Therapy Association (AMTA) instructor who taught in the Boulder / Denver, Colorado, area for over a decade. She has helped thousands of students pass their National Certification Exam with this best seller, which is updated yearly. She also is a Certified Nursing Assistant.
