Paulinus Lingani Ncube Sikosana : Challenges in Reforming the Health Sector in Africa: Reforming Health Systems Under Economic Siege - The Zimbabwean Experience before purchasing it in order to gauge whether or not it would be worth my time, and all praised Challenges in Reforming the Health Sector in Africa: Reforming Health

Systems Under Economic Siege - The Zimbabwean Experience:

Africa's declining health expenditures and the poor state of public health delivery systems are a serious indictment to the development of the continent. Are health sector reforms the right solution?

About the Author Dr. Paulinus Sikosana is a Medical doctor, a Public Health Specialist and International Consultant with extensive experience in health systems development and management in developing country settings. He was a Secretary for Health and has worked in Botswana, Ethiopia, Kenya, Lesotho, Malawi, Mozambique, South Africa, Zambia, Zimbabwe, and Papua New Guinea.
