0 of 0 people found the following review helpful. Book ReviewBy Cynthia Y. Worsley Informative book. Must be read as it applies to program reader wants to use it for (i.e.; can we use this and meet the many state guidelines for adult day services?)

The approaches that long-term care leaders employ over the next 10 years will shape the future of aging services in our country. Research continues to demonstrate that facility leadership shows a relationship with every measure of quality. Dr. Gilster has lived in this world and shares her experiences and the importance of the S.E.R.V.I.C.E. model of leadership with the reader.
