H. Willett : Chiropractic First Aid before purchasing it in order to gage whether or not it would be worth my time, and all praised Chiropractic First Aid:

0 of 0 people found the following review helpful. helpfulBy ilovepersiancatsSemi helpful book. Watch out though, the person who is trying to preform the treatment on you, could end up making matters worse.0 of 0 people found the following review helpful. Terrific Book by a Top Notch ChiropractorBy JJBIf you've been lucky enough to be Dr. Harry Willett's patient, you know he's a genuine care giver. I could not recommend anyone more highly. It follows that a doctor of that caliber would write a very good book and Dr Willett has. Hewould much rather see you less and know you feel good. His instructions are careful and well thought out. You'll feel better! Tell him "thank you!"
