R. C Schafer : Chiropractic management of extraspinal articular disorders before purchasing it in order to gage whether or not it would be worth my time, and all praised Chiropractic management of extraspinal articular disorders:

0 of 0 people found the following review helpful. Excellent Chiropractic / EDX resourceBy John M. Horvathexceptional work! Genius!Shafer is a Doctor who is ahead of His time!Thoroughly enjoyed this volume, with applicable resources that pertain to comprehensive EDX testing of patients with both: proximal and peripheral nerve complaints. Recommend for ANY Chiropractor/ Physiatriist/ PT interested in furthering their base of knowledge in Chiropractic/ physical medicine and general issues pertaining to: succinct medical necessity and rationale for care.Thank you!JMH DC PC
