masterpiece0 of 0 people found the following review helpful. Five StarsBy drphilWhat a great resource tool!

Chiropractic Patient Assessment, Laboratory Interpretation, and Risk Management provides a brief and low-price introduction to the Inflammation Mastery series of books and videos, providing a detailed overview of history and common physical examination concepts, as well as very important details and clinical pearls for laboratory interpretation. With radiographs, photos, acronyms, illustrations, flowcharts, and detailed-yet-simplifying explanations, Dr Vasquez makes it easier than ever for clinicians to grasp important concepts in integrative care and functional medicine and then to translate the basic science research and molecular biology into treatment plans that can be explained and used in the real world of clinical practice with patients. The associated video tutorials and recorded live conference presentations further help students and clinicians get it via Dr Vasquez's effective teaching style which embraces complexity while always emphasizing clinical applicability and psychosocial context. The Inflammation Mastery Functional Inflammolgy series of books and videos translates important concepts and nutritional/biomedical science into easy and practical clinical applications for the prevention and treatment of disorders of sustained inflammation, which Dr Vasquez describes as patterns of metabolic disturbance and inflammatory dysfunction existing in three sequential and overlapping categories: 1) metabolic inflammation, 2) allergic inflammation, 3) autoimmune inflammation. This book includes limited access to Dr Vasquez's presentation introducing the origin and components of the Functional Inflammolgy Protocol and FINDSEX acronym. Post-publication updates to this information and important social and clinical contextualization are made available in videos and online repositories (access provided in the book), and the e-newsletter available from InflammationMastery.com and FunctionalInflammolgy.com.

About the AuthorAbout the authorDr Alex Vasquez: Dr Alex Vasquez holds three doctoral degrees as a graduate of University of Western States (Doctor of Chiropractic, 1996), Bastyr University (Doctor of Naturopathic Medicine, 1999), and University of North Texas Health Science Center, Texas College of Osteopathic Medicine (Doctor of Osteopathic Medicine, 2010). Dr Vasquez is the author of many textbooks, including Integrative Orthopedics (2012), Integrative Rheumatology (2014), Musculoskeletal Pain: Expanded Clinical Strategies (published by the Institute for Functional Medicine, 2008), Chiropractic and Naturopathic Mastery of Common Clinical Disorders (2009), Integrative Medicine and Functional Medicine for Chronic Hypertension (2011), Fibromyalgia in a Nutshell (2012), Migraine Headaches, Hypothyroidism, and Fibromyalgia (2012), Mitochondrial Nutrition and Mitochondrial Medicine for Primary Care Conditions (2014), and Dysbiosis in Human Disease (2014), which is also an excerpt from Functional Inflammolgy: Volume 1. "DrV" has also written more than 100 letters and articles for professional magazines and medical journals such as British Medical Journal (BMJ), TheLancet.com, Annals of Pharmacotherapy, Journal of Clinical Endocrinology and Metabolism, Journal of the American Medical Association (JAMA), Alternative Therapies in Health and Medicine, Journal of the American Osteopathic Association (JAOA), Nutritional Perspectives, Journal of Manipulative and Physiological Therapeutics (JMPT), Current Allergy and Asthma Reports, Integrative Medicine, and Arthritis Rheumatism, the Official Journal of the American College of Rheumatology. Dr Vasquez lectures worldwide to healthcare professionals and provides expert consultations to physicians and patients internationally. Dr Vasquez is the Chief Editor of International Journal of Human Nutrition and Functional Medicine, and he helps moderate the nutrition and functional medicine forum at NutritionAndFunctionalMedicine.org/edu. A description of Dr Vasquez's other projects, books, audios, and videos is updated at his website InflammationMastery.com with patient consultation information located at HealGrowThriveMedicine.com. All of DrV's books are available on .com with videos at Vimeo.com/DrVasquez and audio recordings of lectures at iTunes.
