Dr. Joseph B. Strauss : Chiropractic Philosophical Constructs before purchasing it in order to gage whether or not it would be worth my time, and all praised Chiropractic Philosophical Constructs:

Chiropractic Philosophical Constructs. This 2013 text, written by Dr. Joe Strauss, is based upon presentations that he has given over the years at various conferences and seminars. Each presentation has been greatly expanded so that each subject is handled more comprehensively than a conference or seminar format may allow. These essays are not available anywhere outside of this text. Chapters include: Rightly Dividing the Word of Truth | Preserving Our Vitalistic Philosophy | Communicating Chiropractic by the Written Word | The Educated Brain as an Organ of Adaptation | Chiropractic and its Role in the Health Care Profession | The Development of the Philosophy of Chiropractic | Re-examining Our Principle in Light of Changing Scientific Data | A Re-examination of the Normal Complete Cycle | A New Model for the Mental Impulse | Evolution Intelligent Design and Chiropractic | The Palmer Model, the VCS Model and the Non-Therapeutic Model of the Vertebral Subluxation - Hardback, 222 pages.
