George Randall : Don't Call Me Doctor!: One Physician Assistants Unique Experience before purchasing it in order to gage whether or not it would be worth my time, and all praised Don't Call Me Doctor!: One Physician Assistants Unique Experience:

0 of 0 people found the following review helpful. It's just what he wanted!By fortherelaxMy husband wanted this book to use in some of his research. There's a lot of good history in it and it's easy to read. He liked it so much that he bought 3 more for some of his doctoral students studying to be PAs. I think that's a good sign of a highly recommended book.

Chapters are: Background and Preparation. First Practice, Trans-Alaska Pipeline Project, Tok, Some Interesting Cases, Indonesia, Saudi Arabia, The HMO, Advice for New PAs
