Which as a SPT you will be doing for hours in internships, so might as well learn now and be able to take less time on documenting. 2 of 2 people found the following review helpful. Great book By Michelle Siff The book looked new and has great explanations. Great for students or entry level physical therapists. I would recommend this book to people. 0 of 0 people found the following review helpful. OkBy

J.M. Floridait is good for the beginner but not for anyone in the field for awhile
