Stoller MD MS, Al Heuer PhD MBA RRT RPFT : Egan's Fundamentals of Respiratory Care - Textbook and Workbook Package, 9e before purchasing it in order to gauge whether or not it would be worth my time, and all praised Egan's Fundamentals of Respiratory Care - Textbook and Workbook Package, 9e:

0 of 0 people found the following review helpful. Works great! By dennis Great quality, Great price, Great delivery. As described. Would recommend seller. 0 of 0 people found the following review helpful. Egan's Fundamentals of Respiratory Care By Shynessa Y. Heard As long as you have the time, sitting down and studying this book is a great

way to learn introductory or refresher information on respiratory care. I would recommend this book. 1 of 4 people found the following review helpful. Wish I'd never bought it. By Customer I had to buy Egan's when I was in respiratory school. I barely cracked the book and it mostly sat around my apartment collecting dust. That said, I passed both of my exams (CRT and RRT) with no problems on my first attempts. This was such a waste of money. Everytime I tried to read it I fell asleep. It is drier than dust.

This convenient, money-saving package is a must-have for students training for a career in Respiratory Therapy. It includes Egan's Fundamentals of Respiratory Care text and workbook.
