1 of 1 people found the following review helpful. Need answers for unit 5 By Sandy R. I am also very disappointed the answers for unit 5 aren't given. It doesn't do any good to do the exercises if you don't know if they're correct or not. Not everyone has the time to be in a study group to compare answers like the author suggested in one comment. 0 of 0 people found the following review helpful. Five Stars By Kimberly Tannersimple to follow and great examples. used at work to justify code assignments 0 of 0 people found the following review helpful. Four Stars By TreskaExcellent
