Great book for a classBy JeffI had to buy this workbook for a class. Surprisingly I actually learned from it and enjoyed it. I completed the book cover to cover and I got the highest score in the class, so it helps. The didactic portion of the class was easier thanks to the good text.0 of 0 people found the following review helpful. Five StarsBy CustomerCorrect as advertised

This Student Workbook contains exercises to reinforce what you will learn in both Emergency Medical Responder, Fifth Edition and the classroom. The exercises cover the new National EMS Education Standards and are designed to

test your general knowledge, encourage critical thinking, and aid comprehension of assessment and treatment skills. Each chapter includes a variety of exercises to reinforce material learned, including: Multiple Choice Numerous multiple-choice questions prepare you for examinations. You Make the Call Scenarios help you develop your decision-making skills by describing emergencies and challenging you to come up with solutions. Skill Drills Test your skills with photo jumbles and caption fill-ins. Labeling Reinforce your mastery of difficult concepts with illustration and photo labeling activities. And more True/false, matching, short answer, crossword puzzle, fill-in-the-blank, and fill-in-the-table activities cover the topics presented throughout the chapter. Page references to Emergency Medical Responder, Fifth Edition are provided for every question in the Student Workbook. Perforated pages make it easier for you to hand in homework assignments.
