1 of 1 people found the following review helpful. look for study app!By CustomerI rarely write reviews about text back because honestly I have no choice and which text book to buy that's done by the school. However I decided to leave a note here as a tip to students using this text back, there is an app on the Android Market and iTunes card EMR Tutor that has flash cards that go with each individual chapter. I'm pretty sure it was free and it definitely helped when it came to studying for my tests! I hope this helps! Good luck!! Let's go save lives!
