Kirsten M. Elling : Emergency Medical Technician Exam Review before purchasing it in order to gauge whether or not it would be worth my time, and all praised Emergency Medical Technician Exam Review:

With over 1,500 practice questions, the second edition of Emergency Medical Technician Exam Review is essential for anyone planning a career as an EMT. Designed to prepare you for the state or national certification exam, questions are based on the EMT level of the National EMS Educational Standards and follow the American Heart Association Guidelines for ECC and CPR. In addition, a CD-ROM included in the back of the book contains two full-length practice exams that are fully updated for the new second edition. Emergency Medical Technician Exam Review

features simple to complex questions based on realistic scenarios to ensure that you practice for success!
