Will Chapleau, Peter T Pons : Emergency Medical Technician: Making the Difference before purchasing it in order to gage whether or not it would be worth my time, and all praised Emergency Medical Technician: Making the Difference:

0 of 0 people found the following review helpful. Great EMT-B textBy TXFireFighterExcellent text. I purchased it in 2009 when I was preparing to enroll in an EMT-B course in Kerrville, TX. I ended up getting deployed to another state, so I had to put my certification dreams on hold for many years. Wish I still had my copy, as I signed up for an EMT-B class starting next month. They will be providing a textbook, but it would've been nice to refresh my memory over the next few weeks before class starts. Some techniques/protocols/regulations have been updated since this book was published, for sure.0 of 1 people found the following review helpful. Five StarsBy NicolasExcellent!

Emergency Medical Technician: Making the Difference follows the U.S. Department of Transportation National

Standard Curriculum (NSC) for the EMT-Basic. This comprehensive, yet easy-to-use text is your complete guide for learning the essential skills you need to become a successful EMT. Real-world knowledge. Real-world skills. Real-world situations.
