From LWW : Emergency Medicine CAQ Review for Physician Assistants before purchasing it in order to gage whether or not it would be worth my time, and all praised Emergency Medicine CAQ Review for Physician Assistants:

2 of 2 people found the following review helpful. but disappointed in consistent lack of educational review in answer explanationsBy Kelly SHighlights the bare basics, but disappointed in consistent lack of educational review in answer explanations. Example: question gives a trauma patient with blood loss scenario and asks for estimated percentage of blood loss. In the answer it refers to Class 1-4 hemorrhage loss and briefly associates the percentage lost with class 1 and 4 without reviewing criteria for classification. Class 2 and 3 not mentioned or reviewed. I found Rosh review to be

a better mode for review by reading the answer recap in addition to just answering questions. 0 of 0 people found the following review helpful.
