Natalie Holbery, Paul Newcombe : Emergency Nursing at a Glance (At a Glance (Nursing and Healthcare)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Emergency Nursing at a Glance (At a Glance (Nursing and Healthcare)):

From the publishers of the market-leading at a Glance series comes a wide-ranging and succinct overview of the key concepts of emergency care. Emergency Nursing at a Glance uses the unique and highly visual at a Glance format to convey vital information quickly and efficiently, ensuring that nursing students have access to all the important topics they need for an emergency care placement. This highly visual, easy-to-read guide is the ideal companion for anyone entering fields involving urgent or unscheduled care. Includes all aspects of emergency care, including trauma, minor

injury, triage processes, patient assessment, common emergency presentations, as well as legal, ethical and professional issues. Covers care of adults, children, and those with learning disabilities and mental health conditions Presented in the bestselling at a Glance format, with superb illustrations and a concise approach Emergency Nursing at a Glance is an invaluable resource for nursing students, newly qualified nurses and other healthcare professionals working in emergency departments, urgent care centres, minor injury units and walk-in centres.

This is an excellent resource for emergency nurses of all levels. It highlights common presentations to the emergency department (ED) from wounds to poisoning to cardiac arrests....It should be mandatory reading for all nurses starting a career in the ED (Nursing Standard- Sept 2016) From the Back Cover The market-leading at a Glance series is popular among healthcare students and newly qualified practitioners for its concise and simple approach and excellent illustrations. Each bite-sized chapter is covered in a doublepage spread with clear, easy-to-follow diagrams, supported by succinct explanatory text. Covering a wide range of topics, books in the at a Glance series are ideal as introductory texts for teaching, learning and revision, and are useful throughout university and beyond. Everything you need to know about Emergency Nursing at a Glance!
