**DOT : Emergency Response Guidebook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Emergency Response Guidebook:

3 of 3 people found the following review helpful. Useful for Anyone in Emergency ResponceBy Merace!The 2012 ERG is a useful starting point for anyone in emergency response (police, fire, etc). One problem the average person may have is that book was written by the Department of Transportation and, like most government publications, is very wordy and can be somewhat confusing to use. Thankfully there are videos on public sites like Youtube that can walk you threw it.0 of 0 people found the following review helpful. Great price great sellerBy J BrunsonThe book was a gift for my brother but he related to me that he was happy with it. Thank you for getting the book there so soon.0 of
