**Jeff Mitchell Ph.D., Grady Bray Ph.D. : Emergency Services Stress: Guidelines on Preserving the Health and Careers of Emergency Services Personnel** before purchasing it in order to gage whether or not it would be worth my time, and all praised Emergency Services Stress: Guidelines on Preserving the Health and Careers of Emergency Services Personnel:

0 of 0 people found the following review helpful. Great training for trainers By Chaplain Jan I'm using it as research to prepare a CISM training for our police and fire departments. Valuable information. 0 of 0 people found the following review helpful. Five Stars By Jimmy D Stout Fine 0 of 0 people found the following review helpful. Must Read By Jeffrey I. Turkel A must read for all involved in Emergency Services written by the foremost expert on CISM/CISD.

Finally an entire book devoted to the issue of stress in the emergency services! From reducing turnover due to burnout, to life-long stress management techniques to Critical Incident Stress Debriefing (CISD), this guide provides valuable information on handling stress for those in public safety professions. This book also meets CEU requirements for a weekend course."
