It is a little thicker than normal, but that's because of the information in it. It has all the updates. Buy it, you will not be sorry you did. 0 of 0 people found the following review helpful.

Excellent! It is good, helpful and appropriate prices. I think will look forward to purchases another things like this soonest in the future. 0 of 0 people found the following review helpful. Five Stars. By Nopegood to have.

A DAVISS NOTES BOOK! Comprehensive, but succinct this pocket-sized guide delivers all of the essential facts and clinical information you need in the field and in the ED. From common medications through interpreting 12-lead ECGs to current algorithms and procedures, you'll find them in the handy Daviss Notes format with spiral binding, waterproof, reusable pages and quick-reference tabs.
