**From Brand: Learningexpress, Llc : EMT Flash Review** before purchasing it in order to gage whether or not it would be worth my time, and all praised EMT Flash Review:

1 of 1 people found the following review helpful. Great study guide!By CynthiaI love this book! It has all the

vocabulary you need for the EMT exam. Because of its size you can take it anywhere to study on the go. And the way it's set up like flash cards, you can either read the words and guess the definition or vice versa. Definitely recommend to anyone trying to learn facts fast!

EMT Flash Cards has all the essential words and phrases needed to accomplish your goal, in simple and effective flashcard format. - Over 600 terms consistent with National Registry Standards - Every term clearly labeled by certification level to streamline and facilitate study - Pocket-sized for portability-study anywhere, anytime! In addition to the vocabulary, EMT Flash Cards includes tips on using mnemonics to enhance your memory as well as an important diagram of the axial skeleton.
