I recommend scanning blank pages before writing in your book so you can print worksheets to do practice questions.0 of 0 people found the following review helpful. Five StarsBy rubinThe book was great and it is very clean0 of 0 people found the following review helpful. workbook was goodBy carolMy workbook was good. super cheap and it looked almost new. cant say unused but very very good..it is great and i would definetly recommend people to buy this

The EMT Prehospital Care Student Workbook is designed to encourage critical thinking and aid comprehension of the course material through use of materials such as case studies and corresponding questions, figure-labeling exercises,

fill-in-the-blank, short-answer, and multiple-choice questions.
