Pat Ivey : EMT Rescue before purchasing it in order to gage whether or not it would be worth my time, and all praised EMT Rescue:

These are the trying, true stories of the mobile emergency medical technicians who often are the only thing standing between any one of us and death. Author Pat Ivey uses her extensive firsthand experiences, as well as an unflinching

eye for drama and detail, to bring us the unheard tales of heroism and courage of the EMT units. She takes us into a hidden world of children in need, women seeking shelter from the storm of abuse, and the realities of industrial accidents. A simple car crash turns into a Herculean effort, an epic struggle against the clock and against the odds.

About the AuthorPat Ivey works as a cardiac technician on Lake of the Woods Volunteer Rescue Squad in Wilderness, Virginia. Along with teaching EMS classes, she works in the Culpeper Regional Hospital emergency room. She is a great believer in holistic medicine, the magic of touch, and the healing power of love.
