Gary Persing : Entry-Level Respiratory Care Review: Study Guide and Workbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Entry-Level Respiratory Care Review: Study Guide and Workbook:

Comprehensive source presented in a study guide/workbook format, provides applicable information to help reader study for and pass the NBRC Entry-Level Exam as well as state licensure exams. Contains a pretest before each chapter in the study guide and a post-test at the end of the book to be taken after completing the workbook section.
