From Little, Brown and Co. : Epidemiology in Medicine 1st (first) Edition by Charles H. Hennekens, Julie E. Buring published by Little, Brown and Co. (1987) before purchasing it in order to gage whether or not it would be worth my time, and all praised Epidemiology in Medicine 1st (first) Edition by Charles H. Hennekens, Julie E. Buring published by Little, Brown and Co. (1987):

4 of 4 people found the following review helpful. Great book!By J ChenI use it for my epidemiology class. I prefer this book to the other textbook by Rothman because it is clear and more systematic. Also, it is easy to read.0 of 0 people found the following review helpful. Great price and good condition.By travelfreeGreat price and good condition. A good guide of epidemiology that explains the basic concepts very clearly.0 of 0 people found the following review helpful. Three StarsBy BrandaIts a small, straight to the point textbook, but i just wonder if it is really exhaustive...
