This book is short and sweet. I am a veterinarian, the canine health information was informative and simple to digest. I would never recommend the oils suggested as a primary care and are a questionably helpful additive.1 of 1 people found the following review helpful. Great guide. I have 2 dogs in the houseBy MackGreat guide . I have 2 dogs in the house , and so I need to take care of them , but I do not know how. I learned that there are aromatic oils for animals to remove or prevent the mites . There are medicated oils that can help boost immunity your pet.1 of 1 people found the following review helpful. impressiveBy Sapphire H.Impressive! What a great informational book. I am so glad I got this book for all the tips and tricks. Now I can not only keep my family green but also my dogs. Well written and easy to understand. Really worth recommending!
