James B. Lewis, Robert J. McGrath, Lee F. Seidel : Essentials Of Applied Quantitative Methods For Health Services before purchasing it in order to gage whether or not it would be worth my time, and all praised Essentials Of Applied Quantitative Methods For Health Services:

Essentials of Applied Quantitative Methods for Health Services offers and stresses the application of concepts, models and techniques in understanding quantitative methods in the health service field. The text provides problem-solving

methods in a variety of approaches. An ideal QM resource for those with little knowledge of statistics.
