Sally A. Weiss MSN EdD RN CNE ANEF, Ruth M. Tappen EdD RN FAAN : Essentials of Nursing Leadership Management (Whitehead, Essentials of Nursing Leadership and Management) before purchasing it in order to gage whether or not it would be worth my time, and all praised Essentials of Nursing Leadership Management (Whitehead, Essentials of Nursing Leadership and Management):

3 of 3 people found the following review helpful. This is an essential textbook to have for fourth level ...By Janis C.

Ayers This is an essential textbook to have for fourth level nursing. It helps to more clearly understand your position in the hierarchy of the hospital or nursing skills necessary for management and delegation. 1 of 1 people found the following review helpful. Easy nursing book to read unlike others that I have ...By Wendy Easy nursing book to read unlike others that I have come across. It gives great situations and examples throughout the book. Short and straight to the point 0 of 0 people found the following review helpful. Five Stars By Jocelle Amanuel Sold as described (New), and came within time fram

Successfully make the transition to professional nursing practice. Two books in one, for the price of one all the issues and trends coverage you need, plus leadership and management content. The completely revised and updated 6th Edition of this popular resource prepares you to meet the challenges you'll face as a professional in today's changing health care environment. You'll explore your future responsibilities as a leader and a manager and the workplace issues and trends that you'll encounter in practice. A wealth of resources online at DavisPlus provides tools to hone your skills and prepare for the future, including interactive case studies, review questions, bonus chapters, a resume template, sample letters and emails, and much more.
