**Robert A. Fosbinder BA RT(R), Starla Mason MS RT (R) (QM) : Essentials of Radiologic Science Workbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Essentials of Radiologic Science Workbook:

0 of 0 people found the following review helpful. Five StarsBy Michelle Espinosagood read1 of 1 people found the following review helpful. NiceBy Grlykelthis breaks down the topics, it is a lot easier to understand than Boushong it is a lot shorter to so gets to the point fast.0 of 0 people found the following review helpful. Four StarsBy Charline SealyGood activities

An ideal accompaniment for Essentials of Radiologic Science, this workbook provides the student with additional practice in applying theories covered in the text. Designed to provide students with reinforcement and practice in the topics they've learned, this workbook also serves as preparation for the Registry Exam and includes Registry-style

review questions.

"This would be a great addition to any radiology intern's collection of books to help them on the path to becoming registered radiologic technologists."-----Weighted Numerical Score: 86 -  
3 Stars-Doody Enterprises, Inc. (April 2012)- Kyle J Theine, B.B Radiologic Technology(Froedtert Hospital)
