Bettye G. Wilson MEd RT(R)(CT) RDMS : Ethics and Basic Law for Medical Imaging Professionals before purchasing it in order to gage whether or not it would be worth my time, and all praised Ethics and Basic Law for Medical Imaging Professionals:

1 of 1 people found the following review helpful. Good stuffBy C.DelgadoOur class didn't really go into this book but I read about 3/4 . It's informative has information every radiographic technician, student or registered alike,should know.0 of 0 people found the following review helpful. Could have been written better. I used this book for my AUCS

340 ...By Chris MormileIts okay. Could have been written better. I used this book for my AUCS 340 Ethics in the Professions class at the University of Hartford.0 of 0 people found the following review helpful. Five StarsBy Alicia IannoneExcellent!

Complies with ASRT curriculum guidelines requiring coverage of ethical theory, behavior, and dilemmas; legal responsibilities; and patient consent.
