Division Commander Jeff Jones : NIMS: Incident Command System Field Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised NIMS: Incident Command System Field Guide:

0 of 0 people found the following review helpful. No complaintsBy Larry HopkinsThis is just what is needed. I believe that every fire officer in the nation needs a copy of this in their command vehicle. It shows what is needed and helps keep down confusion at the scene while things are going crazy.1 of 2 people found the following review helpful.

NIMS Field Guide By Richard Hart Easy to use FOG, allows for quick reference. Personnel find it advantageous to have reminders on hand to point them in the right direction.

The new NIMS: Incident Command System Field Guide provides instant access to critical key points of the National Incident Management System (NIMS) that can help you make decisions fast. This 3 x 5 reference guide clearly and concisely outlines what you need to know about NIMS objectives, whether you're at the local, state or federal level or in private industry. The all-hazards, non-jurisdiction, and non-discipline-specific guide also provides responsibilities and checklists for applying the Incident Command System (ICS). Color-coded tabs put NIMS compliance information at your fingertips. Tough, waterproof, and alcohol-fast, this handy guide can be used for NIMS and ICS training, during training and functional exercises, and on incident responses. Look for these special features!
