It is great and helped me sort through many cases I worked.

NMS Emergency Medicine, Second Edition provides medical students, residents, physician assistants, and nurse practitioners with an introduction to the core content of emergency medicine. The book's concise narrative outline

format helps readers quickly assimilate large amounts of material. Each chapter is followed by USMLE-style study questions. A comprehensive Board simulation examination is offered online. This edition has been thoroughly updated and streamlined to focus on essential material. Questions have been revised to better reflect the level of difficulty of shelf exams. The book has a new two-color design with more illustrations and wider margins for notes.
