Brett J. Cassens MD MBA FACP : NMS Preventive Medicine and Public Health before purchasing it in order to gage whether or not it would be worth my time, and all praised NMS Preventive Medicine and Public Health:

This edition provides an overview of public health and preventive medicine, which conforms closely to the National Board of Medical Examiners content outline for prescribed coverage of these topics. The scope, outline format and

self-test features of the book make it ideal for course review and USMLE preparation.
