**Tod Schimelpfenig, Linda Lindsey : NOLS Wilderness First Aid (NOLS Library)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised NOLS Wilderness First Aid (NOLS Library):

1 of 1 people found the following review helpful. Another Great Read for any NOLS Nerd! By WaltLove having this as a point of reference as NOLS Alumni. This is a great read for any person who wants to enjoy backcountry camping with confidence of what to do if injury occurs. Great diagrams and explains how to improvise using equipment one would have on a trip. 0 of 0 people found the following review helpful. Five Stars By WYO RandyBook was better than

described. Shipped on time.0 of 0 people found the following review helpful. A handy quick guide for the home!By C. FrederickIf you live in a rural environment, this is an efficient and thorough first aid guide to have on hand for any injuries or emergencies that might arise. We refer to it when needed and it is concise and complete.

75 illustrations 5 x 8 A sound foundation in first aid skills, this standard reference emphasizes prevention and treatment of common wilderness accidents and illnesses.
