Good info.By CustomerDidn't use it much in the course, and didn't realize the book was supplied by my course, but has good info none the less.0 of 0 people found the following review helpful. Very good book.By GrizzledAtomsIf you want to know the NOLS material before you take the class this is

the book to get. Covers everything and does it well.0 of 0 people found the following review helpful. Great resource to brush up on WFR skillsBy zionGreat resource, more detail than the spiral NOLS WMI notebook you get in WFR recerts, but not too text-heavy.

One of the finest first aid books I've seen.--Mel Otten, M.D., Wilderness Medical Society
